Mauril

MAURIL CARD GAME FOR CONVERSATION CIRCLES

Dive into the world of sports to build confidence and practice English conversation with engaging thematic activities.

Number of players
2-12

Intermediate
level

45 cards (Sport)

25 Vocabulary cards - 15 Discussion cards
1 Mauril App card - 4 Instruction cards

Getting Started

1

Divide players into small groups (2-4 people).

2

Sort the cards by type: Vocabulary and Discussion.

Optional: Use the Mauril application beforehand to view content related to the theme in the Explore section

Start with the Vocabulary deck. Continue with the Discussion deck.

Building Vocabulary

Warm up! Discover the theme's keywords to prepare for your discussions.

Take turns drawing a card. Get your group to guess the word without saying it.

For more practice:

Use the word in a complete sentence or propose a word association.

Discuss

Express yourself!
Share your ideas and opinions.

Draw a Discussion card. Answer the question and keep the conversation going as long as possible.

Golden Rule: Ask follow-up questions. The goal is to keep the conversation flowing, not to race through the cards.

Tip: Try to use words from the Vocabulary deck in your conversation!
